NEW AT ATLAS

[BUNTBOX]™

A customizable box that is 100% recycled, a box that should not be in the way when its unused because, being a cardboard folding box it is delivered flat.

The box is equipped with an upper and alower part i.e. two different parts, so why not mix the colours? Available in 13 bright colours.

Available in 4 sizes, Small, Medium, Large and Extra Large.

There are many ways to personalize the boxes. Use crayons, oil and acrylic, chalk, adhesives, stickers, different kinds of stamps, seals, simply coloured and felt-tip pens - everything holds on!
